NEWSLETTER TO RESIDENTS OF BELLE MEADE

January 2008

## HAPPY NEW YEAR TO ALL BELLE MEADE CITIZENS!

### From the Police Department

#### Recent Computer Thefts

Recently the Metro Election Commission reported the theft of computers containing the list of registered Davidson County voters along with their social security numbers. This incident has many citizens concerned about the possibility of Identity Theft. While the loss of the personal information is of great concern, it does provide each of us the opportunity to review our defense strategy in detail.

Social security numbers are most often used in obtaining credit cards, bank loans or utility services. The best way to determine if such an event has occurred is to review your credit report and to report any unusual activity. The three major credit reporting bureaus allow one free report per individual per year. Requesting a report from each one at four month intervals is an excellent (and inexpensive!) way to be notified of suspicious activities. The reporting bureaus can be contacted at:

For those who do not have access to the Internet, please contact the Belle Meade Police Department. We will be glad to print this information and deliver it to you. Since 2003, the Belle Meade Police Department has offered the residents of Belle Meade assistance in Identity Theft cases. Should you discover that your personal information was or is being used without your consent; you should immediately notify the Belle Meade Police at 297-0241. Even if it appears that the crime is being committed in another state, we can provide you with assistance.

THANK YOU to the many citizens who remembered the City staff at Holiday Time. We received many delicious gifts of food and donations to the Employee Fund. Your thoughtfulness and generosity are very much appreciated by the Belle Meade employees. We wish everyone a healthy and safe 2008!
